

COVID-19 PPE COLLECTOR

In order to collect all Personal Protective Equipments (PPE), ICS has designed a container with fixed bag stop and a large opening that allows users to **NEVER COME INTO CONTACT** with waste.

For a **MAXIMUM SAFETY** the new bin also avoids the phenomenon of air intake caused by opening and closing the bin with the pedal.

CODE
C704050

CODE EAN
8006417007825

DESCRIPTION
BIN WITH BAG STOP

CAPACITY
50 LITRES
Apt plastic bag
Cm 72x110

PACK
6 PCS

PALLET
72 PCS
